C. MEDITATE on the Word ~ Joshua 1:8

1. For whom should we pray diligently? How can we be more diligent in prayer?
2. Why is it tempting to emphasize feelings and experiences over truth and sound doctrine when it comes to “unity?”
3. How can we effectively search out these precious treasures of wisdom and knowledge?
4. Why are false teachings that appeal to our flesh and pride so persuasive? How can we guard against such teachings?
5. What are some practical steps we might take to improve both the quantity and quality of our time in God’s Word?
6. How can we identify these cunningly deceptive philosophies, and how do we protect ourselves, our families, and our churches from them?
