

Welcome to Fusion Bible Study. We want to thank you for joining us and hope you are excited about learning and growing with us this coming summer. We will be working through the study called *God: Connecting with His Outrageous Love*. During each week we will also be attending an open activity for each member to grow closer in fellowship with one another and at the same time creating a unified and strong core group of friends, accountability partners, and believers. The following is the current list we will be following for the coming summer. All students are responsible for paying for their own way to each event. There may be some assistance available as needed.
