Women's Ministry Survey

WOMEN'S MINISTRY LEADERSHIP TEAM

The Designing Women's Leadership Team meets about twice a month to seek God's vision for the Women's Ministry at Capital and to develop ways to make it happen. We have an earnest desire to see the women at Capital *connect with one another* and foster relationships that promote Biblical love and service to God and to each other. Our major goals are:

1. Plan events and fellowships to provide opportunities to connect with each other and welcome newcomers
2. Develop a structured way of communicating and meeting needs among the women at CBC
3. Reach out to those in our community/world and demonstrate the love of Jesus to all those God brings our way
